

**COLNAGO CYCLING FESTIVAL included in “Italia dei Giochi”, programme of Milano Cortina 2026:
an added value for the CCF 2025**

“**Italia dei Giochi**” is the programme with which Milano Cortina 2026, in collaboration with CONI and CIP, wants to celebrate the Italian 2026 Olympic and Paralympic Games throughout the Country. It presents itself as an opportunity to celebrate and amplify the enthusiasm of local initiatives through a connection with the future Olympic and Paralympic Games, while at the same time increasing their notoriety and stimulating the practice of sport.

The **COLNAGO CYCLING FESTIVAL** has been included in the “Italia dei Giochi” programme and fully shares its values, being inspired by the principles of Olympism and Paralympism.

The event aims to promote the **practice of sport** as a means to improve the health, well-being and social cohesion of the community. The **CCF 2025** is committed to fostering **inclusivity**, offering everyone the opportunity to actively participate in sport, and to achieving a **sustainable** event by adopting environmentally friendly practices.
